## CUSTOMER REQUIREMENTS INVENTORY FORM

This document is designed to help you to give us the information that we need in order to decide how much work, time and resources we need to give to your removal. Please take the time to fill this document in carefully, so you provide us with accurate information necessary for your quote. Should the information you have provided us with in the form change after we have given you your quote, please let us know as this may affect the quotation.

### **If we are doing the packing...**

Where the customer accepts a quotation, which includes the packing, please note that we will have included the supply of labour and packing materials in our quotation, so there will be no additional charges for this work.

### **If you are doing the packing...**

If you decide to do your own packing, but then find you have not been able to complete the task, we are happy to help, but will need at least a couple of days notice. This will allow us to ensure that we send the necessary number of staff and packing materials in order to complete the packing. This service will incur an additional charge to our original quotation if it was not agreed that we would help to pack at the outset.

**PLEASE COMPLETE THE FOLLOWING SURVEY DOCUMENT FORM AS FULLY AS POSSIBLE AND RETURN TO US. REMEMBER IT'S ALWAYS BETTER TO INCLUDE TOO MUCH INFORMATION RATHER THAN NOT ENOUGH!**
